

**SANTA BARBARA CITY COLLEGE**

**Facilities & Safety Committee Minutes**

April 4, 2024

11 am - 12 pm

via Zoom

**Present:** Rob Morales, Adrienne Betty, Tracy Reynolds, Craig Moropoulos, Erik Fricke, Brian Fahnestock, Emma Cruz, Erin Coulter, Virginia Estrella, Liz Auchincloss, LaDeane Hansten, Alexandra Thierjung

**Welcome to the Campus Safety Committee:**

Emma Cruz was welcomed to the Campus Safety Committee. Emma is located at our Wake Campus.

**Cliff Drive Entrance Remodel:**

There has been a long standing desire to improve the entrance to East Campus as it is challenging to turn left as you exit. The City of Santa Barbara received a grant to fund most of the area on Cliff drive which includes our two campus entrances. SBCC will need to fund about \$1-2 million of the project but it is unclear where that would come from at this point. The redesign would include both the east and west campus entrances. The bus stop will remain in its current location.

**Director of Facilities provide campus projects updates:**

Mansard Roof Repair Spring Break - postponed; due to issues with cap, rescheduled for May 2024

Children's Center/Drama Music HVAC installation - installed last week and it should be fully operational by next week

**Director of Campus Safety to provide campus security incidents:**

The Director of Campus Safety and Emergency provided the committee with an update on a variety of calls received over the past month.

**Campus injuries and incidents:**

**(Occurring since 2/22/24)**

Employee injuries: 1

First aid: 1

Incident/Accident reports: 7

**Safety Concerns from the Committee:**

The committee shared that some F&O employees who drive utility vehicles are concerned about how reliable they are. The Director of F&O shared that 3 new utility carts were just purchased due to the concerns.

The committee requested a reminder email be sent campus wide about the COVID website existence and the various locations to pick up tests. The Office of Communications was sent an email requesting the campus wide email to be sent.
